Introduction

Purpose

The purpose of Indiana Baptist Seminary (IBS) is to mentor and equip ministry leaders for independent Baptist ministry. Our goal is for each seminarian to exhibit a heart for the Lord, for the local church, and for the Great Commission, and to be well-equipped for the opportunities and challenges of ministry in today's world. IBS offers a strong academic program holding to historic Baptist doctrine, a strong position on the Bible, Biblical standards, and traditional, conservative Christian music. Coupled with the academic training, each seminarian is encouraged in that walk with the Lord that is so vital to an effective Christian life and ministry.

Doctrinal Statement

We believe in the verbal, plenary inspiration of the Old and New Testaments; the preservation of God's Word forever; that the Masoretic Text, Textus Receptus, and King James Bible are the preserved Word of God in their respective languages; God in Three Persons—Father, Son, and Holy Spirit; the new birth in Christ alone; baptism by immersion for believers only; the eternal security of the believer; the Lord's Supper as a memorial; six creation days of twenty-four hours each; the bodily resurrection of Christ and His bodily ascension into heaven, where He now intercedes for believers; the pre-tribulation rapture of all believers; the pre-millennial return and millennial reign of the Lord Jesus Christ; the judgment; the reality of heaven and hell; the local church as God's institution to carry out the Great Commission; and the obligation of every believer to live a holy life and to witness to the lost of the saving power of Christ.

Distinctives

The stress of Indiana Baptist Seminary upon a literal hermeneutic and sound exegesis thoroughly prepares the student to deliver clear and Biblical sermons. The accompanying emphasis of true dependence upon Christ encourages the student in a Biblical fervency and earnestness in his delivery of God's message.

The faculty is composed of men who have successfully ministered for many years. Our professors have both quality educational backgrounds and valuable experience. Our distinctive faculty impacts the IBS program both academically and practically from enrollment to graduation.

Our counseling sector is nouthetic in nature. We hold that God's Word has every answer for the needs of every person. Thus, we believe God's Word to be both authoritative and practical.

Many of our classes are available in a modular format. The Master of Arts degrees in both Evangelism and Missions can be taken in a series of 1-week modules in January and May.

Our Community

During the last decade, Indianapolis' tremendous growth as a business center and amateur sports capital has gained the attention of cities all across the nation.

Indianapolis has experienced steady growth this century with a population of nearly 900,000 in the city and nearly two million in its metropolitan area. Indianapolis is one of the most accessible cities in the nation, with more interstates converging here than in any other U.S. city. The 'Circle City' is the center of America's Heartland with more than 65% of the U.S. population living within a 700 mile radius of Indianapolis (Chicago - 187 mi.; Detroit - 277 mi.; St. Louis - 237 mi.; Cleveland - 309 mi.).

Located just south of Indianapolis, Greenwood provides an ideal setting for students to prepare for Christian ministry and utilize their spiritual gifts. Numerous Independent Baptist churches with thriving ministries are located throughout the greater Indianapolis area, giving students an abundance of opportunities to serve while they study.

Greenwood has seen significant growth over the past twenty years, which translates into numerous job opportunities and great ministry potential.

Admission

General Admission Requirements

Admission to Indiana Baptist Seminary is not limited by race, color, or national or ethnic origin. All students must adhere to the school's standards, both on and off campus. The applicant's testimony of salvation is one of the criteria for acceptance. The seminary student is expected to conduct himself at all times in a professional and godly manner. Any student who does not behave in accordance to the Seminary's code of conduct forfeits his rights as a student and may be dismissed from the program.

IBS students are expected to be actively involved in the ministry of their local church. A written summary of current ministry involvement may be requested periodically by IBS.

Attendance of on-site classes is expected (with the obvious exception of correspondence work). Students who are absent from more than twenty percent of the scheduled classes in any given course (this includes emergency absences) will not be given credit for the course, except by special permission from the Academic Dean. Excused absences must have the professor's signature. The Dean of the Seminary may address unexcused absences. An applicant with a bachelor's degree must have maintained a 2.5 G.P.A. for admission. In the case of an applicant with a G.P.A. less than 2.5, they may enter on academic probation.

All applicants to a graduate program at IBS must hold a Bachelor's degree from a college recognized and approved by IBS. In the case of an applicant without an undergrad degree, classes may be taken with the Dean's permission but a graduate program may not be entered.

Admission Procedures

All written correspondence concerning admission should be addressed to: Admissions Office, Indiana Baptist Seminary, 1301 W. County Line Road, Greenwood, Indiana 46142. Each applicant should submit the following materials:

- A completed application.
- A non-refundable application fee of \$25.00.
- Official transcripts sent from the school of the applicant's undergraduate work.
- An autobiography of the applicant including his salvation testimony, purpose for pursuing a seminary degree, present ministry experience, and future ministry plans.

2. The IBS administration reserves the right to require that specific courses be taken at Indiana Baptist Seminary.
3. If accepted by IBS, the following minimum number of hours must be completed at IBS.

M.A., M.Min.	30 hours	M.S.T.	32 hours
M. Div.	48 hours	Ph.D.	36 hours

Academics

One-Week Modules

Often, Indiana Baptist Seminary offers to the seminary student one-week modules in the summer and the inter-semester period between the scheduled semesters. These modules are designed to be both academically challenging and spiritually refreshing.

Grading

Grade Point Average (GPA) is based on the following scale:

A - 4.0 B - 3.0 C - 2.0 D - 1.0 F - 0.0

A student must maintain at least a 3.0 cumulative grade point average at all times. Any time the student's GPA falls below a 3.0 he is put on academic probation. At the end of the semester the student will be removed from academic probation by raising his GPA to at least 3.0. He may continue in the program at the academic committee's discretion, or be dropped from the program. No grade below a "C" will be accepted toward a graduate degree, but all grades will be computed in the overall GPA.

A grade of "incomplete" can be given at the discretion of a professor if a student has requested an extension past the end of the semester to finish his course work. Unfinished work will be given a grade of zero if the student exceeds the approved time extension. A student must satisfactorily finish the work in all required courses in which he received an incomplete grade in order to receive his diploma or walk in the commencement program.

Dual Credit

A junior or senior at Indiana Baptist College may take a limited number of courses for dual credit, that is, he may receive credit for the course from both the College and the Seminary. Contact the Academic Dean for details.

Drop/Add Policy

Courses may be dropped or added during the first ten class days of the semester schedule by completing a Drop/Add form in the school office, receiving permission by the Registrar and instructor of the class, and paying a drop/add fee of \$10. Courses dropped in this period will not be recorded on the student's transcript or be part of the student's record.

Courses dropped after 10 class days but within the first five weeks of the semester will be recorded as "withdrawn" (W) on the student's transcript. Courses dropped after the fifth week will be recorded as either "withdrawn failing" (WF) or "withdrawn passing" (WP) on the transcript depending on the student's grade average for the course at the time of withdrawal. A student dismissed from school will receive a grade of E for all current classes.

The grades W, WP, and E will not be used in computing the student's G.P.A. A WF will count the same as an F in computing the student's G.P.A. unless the course is later completed with a passing grade. In that case, the WF will not count on the student's G.P.A. but will remain on his transcript. The administration may choose to change a WF to W for what it deems extenuating circumstances.

Honors

To graduate with academic honors a student must have earned at least a 3.50 cumulative GPA for his entire academic record. The scholastic commencement honors at I.B.S. are:

Cum Laude	3.50-3.74
Magna Cum Laude	3.75-3.89
Summa Cum Laude	3.90-4.00

Graduation Requirements

Academic Requirements

To graduate, a candidate must fulfill all course requirements for graduation with at least a 3.0 GPA and complete his thesis as noted below:

- A graduation candidate for a Ph.D. degree must submit a 150 page dissertation on a subject in his major field of study.
- The candidate for the M.Div. degree must submit an eighty-page thesis in the area of his study.

Other Requirements

The candidates must meet all financial obligations including graduation fees. The candidate will also demonstrate spiritual character and maturity appropriate for the ministry.
